PROJECT INFORMATION AND AGREEMENT –

Lodging establishments and restaurants participating in the Miami Dade County's *Green Lodging and Restaurant Project* initiative are encouraged to adopt cost-saving 'green' practices that conserve energy, reduce water consumption, protect air quality and reduce waste. Miami-Dade County Water-Use Efficiency Program provides technical assistance and water conservation information to lodging establishments and restaurants in the area. By submitting this form, the applicant is agreeing that your hotel/motel and/or restaurant will implement the programs duration of the program. By signing this application, hotel applicants agrees to participation in a linen and towel reuse program, use of printed material in all guest rooms, training of housekeeping staff and allowing MSWASD to evaluate the program. By signing this application, restaurant applicants agrees to the use of printed material on all tables, training of staff and use of the fan jet spray. MDWASD may deny any application that does not meet all of the program requirements. MDWASD reserves the right to alter this program at any time.

By signing this form I agree that I have read, understand and agree to the term and conditions of the Green Lodging and Restaurant Project.
